

GENERAL NEWS

FRIDAY CLUB NIGHT

Our Junior Club Nights continue to be very popular. It is wonderful news that we will have Brian and Jeremy taking part on some days. HOORAH!

Just would like to make a point in a couple of issues;

We have had a few incidents this year when we had some complaints from the senior club members and neighbours about the Friday nights sometimes being loud after 6pm. It is important for the future that we do not show any disruptive behaviour that would bring any negative views against our juniors!

We also would like to change the rule we have about juniors under the age of 9 being left at the club without their parents; this age will be increased to age 11. Therefore from 6.30 pm any child of 11 or under must not be left at the club unsupervised. Older children may remain until 8pm and no later. Parents, as well as juniors, must be aware of this and note that the Club will not assume any responsibility for those left at the club unattended. We will also be putting a rota up shortly to ask for parental help for supervision for club nights between 6.30 and 8pm. Please do sign up, even just once for the year helps the committee out a great deal. Come and enjoy a glass of wine and sign up with a friend. There is a slip below as well if you do not often come into the club but would like to help.

We need to make sure that we tidy up after ourselves before we leave the club house and do not leave rubbish on courts or expect others to clean up after us.

If we can achieve all this, we can keep Club Night going as a quality event for all.

NEW CLUB HOODIES

We have new hoodies coming up. Check with Brian and Jeremy.

JUNIOR NOTICE BOARD

Please make sure you keep writing your match reports and add photos/results to it. All this can be given to Lesley Jackson or you can e-mail lesleyjackson44@tiscali.co.uk. We all like to see your achievements.

There is lots of new information always on the notice board which I believe would be useful for you in many areas including competition structure. Please check regularly.

JUNIOR COMMITTEE

We are pleased to welcome Caroline Daubery Smith to our committee. We would love to have some more new committee members. Please let us know if you'd like to join.

Have a great year full of great tennis

Yours, Destine Watson

Chairman of juniors

.....

I would like you to contact me to arrange a Friday night when I could help out between 6.30 and 8pm

Name :.....

Phone No.....

Please place the slip in the clear post slots just inside the club entrance.
